

The Phoenix Challenge – The Home/ School link.

For home learning this year, we are aiming to make a link between our Creative Curriculum and things that you can try at home. Following Department of Education guidelines, we have created **The Phoenix Challenge**. This is a list of 20 activities that link to the IPC topics your child will be studying this year. Each child will keep a personal list and we will be giving awards to those who complete 15 or more.

Bring the results into school or share a photo – we look forward to seeing what you get up to.
