

**The Phoenix Challenge – The Home/ School link.**

For home learning this year, we are aiming to make a link between our Creative Curriculum and things that you can try at home. Following Department of Education guidelines, we have created **The Phoenix Challenge**. This is a list of 20 activities that link to the IPC topics your child will be studying this year. We will be doing many of them in class as part of our enrichment afternoons. Each child will keep a personal list and we will be giving awards to those who complete 15 or more.

Bring the results into school or share a photo – we look forward to seeing what you get up to.

YEAR 2		Phoenix Challenge 	
CHALLENGE:		✓	Date
