

These are the next topics you will be studying in English, Maths and IPC. Follow the lesson structure, watch the lessons and complete the activities.

Use the Purple Mash blog to share your experience and show how you are getting on. All Purple Mash tasks can be found in the '2Do' section.

Helpful Resources: notebook, A4, paper, colouring pencils scissors, ruler and pencil.

English: 'The Golden Compass'	Maths: Calculation Problems	IPC: What Price Progress?
<p>1) Introducing the Film: Watch this lesson on the Oak National Academy website. Remember to pause the video whenever you need to. https://classroom.thenational.academy/lessons/to-identify-key-characters-and-events-in-the-plot-71j68c 2Do: Trailer Review Complete a review of the trailer for The Golden Compass using the key vocabulary discussed in the lesson: prophecy, unique, parallel universe, loyalty, alethiometer and quest.</p> <p>2) Expanded Noun Phrases: Watch this lesson on the Oak National Academy website. https://classroom.thenational.academy/lessons/to-explore-expanded-noun-phrases-crt3jd 2Do: Explore Expanded Noun Phrases. Using your knowledge from the lesson, use expanded noun phrases to describe each of the characters shown.</p> <p>3) Character Descriptions: Watch this lesson on Oak National Academy. https://classroom.thenational.academy/lessons/to-generate-vocabulary-to-describe-a-character-c4r6cc 2Do: Lyra Character Description. Using the notes and vocabulary you have generated, write a character description for Lyra.</p> <p>4) Synonyms : Watch this lesson on the Oak National Academy website. https://classroom.thenational.academy/lessons/to-develop-a-rich-understanding-of-words-associated-with-running-70t3gd</p>	<p>1) Understanding which operations have equal priority Watch this lesson on the Oak National Academy website. https://classroom.thenational.academy/lessons/understanding-which-operations-have-equal-priority-c4t6ce Now apply your knowledge to solve these questions 2Do: Ordering Operations</p> <p>2) Ordering operations Watch this lesson on the Oak National Academy website. https://classroom.thenational.academy/lessons/order-of-operations-ctk3et Apply your knowledge on the order of operations in an equation without brackets 2Do: Ordering Operations 2</p> <p>3) Consolidating order of operations In this lesson we'll be applying our understanding of order of operations to a range of problems. Watch this lesson on the Oak National Academy website. https://classroom.thenational.academy/lessons/consolidating-order-of-operations-68t34d</p> <p>4) Linear number sequences In this lesson we will be identifying the term to term rule in linear number sequences in order to find what terms will come next and what terms would come previous to given terms. Watch this lesson on the Oak National Academy website. https://classroom.thenational.academy/lessons/linear-number-sequences-6ct66t Use the rule to find the next number in the sequence. 2Do: Number Pattern Rules</p>	<p>1) Which items of technology are most essential to you? On a piece of paper, brain storm all the different forms of technology used in each room of your house. Next, categorise the items into essential (can't live without) and luxury (you can live without it). Is most technology a luxury? Are some forms of technology more essential than others? Now imagine you can only keep three items. What would they be? 2Do: 3 Items of Technology Explain and justify your reasons for keeping the three items of technology.</p> <p>2) Advancing Technology Imagine you want to contact a friend, list all of the technology you would (or could) use to perform that task. Next to each item of technology, list all the pros and cons of using that piece of technology. Now map out the same activity but without using any technology and list the pros and cons of each. 2Do: Advantages & Disadvantages of Technology Answer the following questions. •How do you think people's lives have changed as a result of having access to technology? •What are the advantages and disadvantages? •Have we come to rely on technology too much?</p> <p>3) Progress: Consider what progress means and how it impacts us at all levels. Does progress come at a price? To achieve something, do we have to give up other things? Are there disadvantages to progress? 2Do: Progress Mind Map Add to the Progress Mind Map to demonstrate your understanding of progress and how it can be seen at different levels.</p>
<p>Spellings: SPR Term 1</p>	<p>Look at our Spelling list. https://static.purplemash.com/mashcontent/applications/guides/Spelling_Y6_Autumn2_Week1_LSCWC/Year6Autumn2Week1LSCWC.pdf Practise these spellings using 'Look, Cover, Write, Check'. 2DO: Spelling Quiz</p>	

Activities on Purple Mash are monitored by Y6 teachers and will be responded to. If you require log in details (they should be in your Reading Journal), please contact the school.
